The main publicly available documents can be found on
www.upc.documents.eu.com

The Spanish challenge

- Action C-146/13 in respect of Regulation (EU) No 1257/2012 (enhanced cooperation)
- Action C-147/13 in respect of Regulation (EU) No 1260/2012 (translation arrangements)
- Hearing 1st July 2014
- Advocate General opinion 21 October 2014
- Decision expected 2015

Regulation No 542/2014 amending Regulation Brussels I

- Regulation (EU) No 542/2014 of the European Parliament and of the Council of 15 May 2014 amending Regulation (EU) No 1215/2012 as regards the rules to be applied with respect to the Unified Patent Court and the Benelux Court of Justice

Purpose of Regulation No 542/2014

- Allow entry into force of the UPC Agreement
- Ensure compatibility of Regulation No 1215/2012 with the courts common to several Member States

Ratifications

- Entering into force when 13 contracting States including FR, UK and DE have ratified
- Ratifications so far:
AU, FR, SE, BE and DK
- http://ec.europa.eu/internal_market/indrop/patent/ratification/index_en.htm

Local and regional divisions currently contemplated

(based on the intentions to create divisions as supposed in June 2014)

The Preparatory Committee

- Composed of all the Signatory States to the Unified Patent Court Agreement
- www.unified-patent-court.org
- 5 major work streams
 - Legal framework
 - Financial aspects
 - IT
 - Facilities
 - Human resources & Training

Interpretative note 29 January 2014

Applicable law in case of opt out

“It is the Preparatory Committee’s view that **if a European patent... is opted out** (or during the transitional period the case is brought before a national court), **the Agreement no longer applies** to the application for the European patent... concerned. As a consequence the competent national court would have to **apply the applicable national law.**”

Summary

Rules of Procedure

- Drafting process
- Hot topics

Drafting process: stage 0

Rules of procedure (382 rules)

- Draft **Rules of procedure** Unified Patent Court (V16) 31 January 2014
http://www.upc.documents.eu.com/PDFs/2014-01-31_16th_Draft_Rules_Procedure_Prep_Com_Markup.pdf
- *“proceedings shall be conducted in a way which will normally allow the final oral hearing on the issues of infringement and validity at first instance to take place within **one year**”* (preamble)

Rules of Procedure: hot topics

- Opt-out provisions
- Language of the statement of claim
- Bifurcation
- Decision on provisional measures
- Final decisions (permanent injunctions)
- Leave for procedural appeals
- Representatives authorised to practice

15 The judges

"(1) The Court shall comprise both legally qualified judges and technically qualified judges."

*Judges shall ensure the highest standards of competence and shall have **proven experience in the field of patent litigation**.*

(2) Legally qualified judges shall possess the qualifications required for appointment to judicial offices in a Contracting Member State.

(3) Technically qualified judges shall have a university degree and proven expertise in a field of technology. They shall also have proven knowledge of civil law and procedure relevant in patent litigation."

16 The judges: appointment

*"(1) The **Advisory Committee*** shall establish a list of the most suitable candidates to be appointed as judges of the Court, in accordance with the Statute.*

(2) On the basis of this list, the Administrative Committee shall appoint the judges of the Court acting by common accord.

(3) The implementing provisions for the appointment are set out in the Statute."

** 14 (2) The Advisory Committee shall comprise patent judges and practitioners in patent law and patent litigation with the highest recognised competence. President: Lord Robin Jacob*
