DIRECTORY

**Cederoth** is the “first port of call” for clients, and is known for his particular success with multiple defendant federal court cases. **Bindu Donovan** is described by clients and peers as in a league of her own”, specialising in medical device and pharmaceutical patent litigation. **Patricia Thayer** has “first-class litigation skills” according to clients, and concentrates her practice on complex patent litigation for technology and life sciences companies. **Jeffrey Kushan** is described by clients as “always available, always responsive and very effective”, focusing his practice on patent litigation, patent appeals, and complex patent administrative proceedings. **Thomas Beck** focuses his practice on complex chemical and pharmaceutical patent litigation matters, and is described by clients as “formidably intelligent and skilful”. **Jeffrey Olson** is a “delight to deal with”, recognised for the quality of his work in the technology and life sciences industries. **Thomas Rein** “simply excels” at handling patent infringement suits, and is lauded by clients for his “industry know-how”. **James Bradley** is praised for his “insightful and erudite” advice, specialising in patent litigation involving semiconductors, fibre optic telecommunications networks, computers and cell phones.

From Véron & Associés **Sabine Agé** is rated for her “well informed advice” and “responsiveness” when confronted with complex issues, exclusively practising patent litigation for major international clients. **Pierre Véron** is lauded for “consistently providing the highest quality of advice” by sources, with a particular specialism in invention patent litigation. **Thomas Bouvet** is a “great tactician”, known for having “pragmatism and creativity” throughout his practice which focuses on patent validity and infringement litigation. **Isabelle Romet** is considered to be a “sensational” practitioner and “commands great respect worldwide” for her work in the chemistry, pharmaceuticals and cosmetics industries. **Amandine Métier** has an “astute legal mind” and “excellent reputation” among clients for her patent practice across the telecommunications, medical

devices, chemicals, pharmaceuticals and mechanical industries”.

At Adams & Adams **Russell Bagnall** is a “lauded name” in the life sciences sector, impressing clients with his “sound reasoning” and “exceptional handling” of complex issues. **Dario Tanziani** is an “unmatched talent” in the market according to clients and peers, and represents a variety of major multinational pharmaceutical companies. **Danie Dohmen** specialises in patent and design litigation, commercialisation and opinion work, and is commended by clients for “always giving 110 per cent”. **Alexis Apostolidis** is “accessible and easy to work with” and known in the industry for his skills in drafting and prosecuting patents for complex technologies.

From Anand and Anand, **Pravin Anand** is described as a “major figure in the industry”, advising on all aspects of patents law including litigation, advocacy and alternative dispute resolution. **Archana Shanker** is a “great strategist” with 20 years of “enviable experience” working on patent-related matters in the fields of bioinformatics, pharmaceuticals and biotechnology.

**Nicholas Groombridge** at Paul Weiss Rifkind Wharton & Garrison stands out for being “incredibly clever, tough and deadline-oriented”, with particular experience as lead counsel in numerous patent infringement actions.

**Otto Licks** from Licks Attorneys is a “wonderfully skilled” and “greatly respected” practitioner, with experience handling patent related issues involving the telecommunications, medical devices and information technology industries.

From Gün + Partners, **Mehmet Gün** is “one of the finest counsel in Turkey”, and is particularly recommended for his expertise in relation to life sciences.

At WilmerHale, **Trevor Cook** possesses “great flair” and a “sharp intellect” according to clients and peers, concentrating his practice on transnational intellectual property litigation matters.

**Luiz Leonardos** from Leonardos & Advogados is a “legendary figure” in Rio de Janeiro, known among clients and peers for his “stellar practice” in administrative

and judicial patent litigation.

**Seiji Ohno** at Ohno & Partners is described as “undeniably one of the best” in the market due to his “enviable” intellectual property litigation practice including licensing and opinion works.

**Patricia Martone** at her own firm in New York is known to be “tremendously able”, providing consultation and strategic advice about prospective and pending patent disputes and patent licensing issues.

**Hajime Watanabe** from STW & Partners is a “leading light” in the field and comes highly recommended by clients and peers for his “high calibre” IP practice.

**Sergio Amenábar** at Estudio Villaseca is described by clients and peers as a “major player in this field worldwide”, specialising in international intellectual property law.

**Karel Cermak Sr** at Cermák a spol is revered for his “incredible practice” which has led to his reputation among clients and peers for being “a wise and very intellectual practitioner”.

**Jennifer Lin Tsar** & Tsai Law Firm is “greatly admired” in the industry for her “vast experience” of guiding multinational companies through their complex domestic and international patent issues.

**Cesare Galli** at IP Law Galli is described as the “best in the business”, having represented clients in some of the major IP litigations in Italy of the past 25 years.

**Eugenio Torres-Oyola** at Ferraiuoli LLC “impresses all he comes across with his deep knowledge of intellectual property law”, with particular expertise relating to the technology industry.

**Vladimir Anohin** from TRIA ROBIT is a European and Latvian patent attorney, described by sources as “a gifted practitioner” whom they “cannot recommend highly enough”.

**Maria Farrukh Khan** at United Trademark & Patent Services boasts a “highly sophisticated” practice encompassing a broad range of IP matters, and is recommended by clients and peers for “always delivering results”.
