More technically qualified Richter	<b>Assignment is still pending</b>

LANGUAGE OF THE PROCEDURE: German

SUBJECT OF THE CASE: APPLICATION FOR INTERIM MEASURES

ARRANGEMENTS:

1. The order of June 23, 2023 is corrected in paragraph 1 so that  
Statements and arguments from the protective document must also be listed in the response to the  
application. The reason for this is that the reply must be written in the language of the proceedings  
(German), while the protective document is in English; this was overlooked in the order dated June 23, 2023.
2. The respondent is also asked to submit the attachments from the protective document with the response; The  
system designations chosen in the protective document must be retained.
3. The respondent's representative is also asked to contact the respondent 5)  
(Mark James Daniel) has to be entered as a *representative* in the CMS .
