LANGUAGE OF THE PROCEEDINGS: English

SUBJECT: R. 262A RoP – Protection of confidential information

GROUNDS FOR THE ORDER:

This confidentiality order follows the orders already issued in the PI proceedings. In order to avoid repetition, reference is made in particular to the order made in the PI proceedings on 21 August 2024 (ORD\_48233/2024; App\_46227/2024, UPC\_CFI\_368/2024).

The Court has granted the Claimant's request to the extend to add Florian Saadi to its team. In view of the parallel proceedings, the Claimant's wish to keep the teams parallel is reasonable.

There is no reason to extend the group of authorised persons beyond this. The authorised persons are free to grant access to other members of the team under the conditions and with the consequences set out in the order.

ORDER:
