PATENT AT ISSUE:

European Patent No. EP 2 028 981

PANEL/DEVISION:

Panel of the Local Division in Mannheim

DECIDING JUDGES:

This order is issued by the legally qualified judge Böttcher as judge-rapporteur.

LANGUAGE OF PROCEEDINGS: English

SUBJECT-MATTER OF THE PROCEEDINGS: Patent infringement action – enforcement proceedings, withdrawal of a penalty request

BRIEF SUMMARY OF THE FACTS

After the Court of Appeal had set aside the decision of LD Mannheim dated 11 March 2025 and dismissed the infringement action, Claimant withdrew its requests for the imposition of penalty payments on Defendants by brief of 10 April 2026.

Defendants did not submit a comment on the withdrawal.

REASONS FOR THE ORDER

If R. 265 RoP is to be applied, by analogy, to a withdrawal of a request for the imposition of penalty payments, the withdrawal at hand is hereby permitted. Defendants have raised no objections. No interests on the part of Defendants are apparent that would preclude a withdrawal in favour of a decision on the merits of Claimant's penalty request. In consequence, Claimant must bear the costs of the enforcement proceedings.

ORDER:

1. The withdrawal of the requests for the imposition of penalty payments on Defendants is permitted.
2. The proceedings are declared closed.
3. This order shall be entered in the register.
4. Claimant must bear the costs of enforcement proceedings.

Issued in Mannheim on 5 May 2026
