SUBJECT MATTER OF THE PROCEEDINGS
Application pursuant to Rules 150 et seq. of the Rules of Procedure

SUMMARY OF THE FACTS OF THE CASE

On 26 June 2026, Pirelli Tyre S.p.A. ('Pirelli') filed an *'application pursuant to Rules 150 et seq.* RoP', seeking an order for the payment of litigation costs in relation to the proceedings – both interim and on the merits – UPC CFI Nos. 649/2024, 770/2024 and 556/2025.

On 28 July 2026, the parties filed a joint application, pursuant to and for the purposes of Rule 295(d) of the Rules of Procedure (RoP), that the proceedings UPC CFI Nos. 2297/2026 and 2300/2026 be stayed, acknowledging that they had reached a settlement agreement, which was in the process of being finalised.

By order of 28 July 2026, the Court ordered the suspension of UPC CFI proceedings Nos. 2297/2026 and 2300/2026 until 1 December 2026, pursuant to Rules 295(d) and 296 of the Rules of Procedure (RoP).

On 3 November 2026, Pirelli filed a motion pursuant to Rule 265 of the RoP, in which it stated that it was withdrawing the application filed on 26 June 2026, with all costs of the proceedings to be fully compensated.

The defendant did not file any comments on the claimant's application.

REASONS FOR THE DECISION

The defendant has not raised any objections to the claimant's withdrawal. There appear to be no interests on the part of the defendant that could justify a decision on the merits regarding the claimant's application for the award of costs.

The withdrawal of the application for the award of costs is therefore authorised. No order is required as to the costs of these proceedings.

DECISION

The Unified Patent Court, Court of First Instance, Milan Local Division:

- authorises Pirelli Tyre S.p.A.'s withdrawal of its application for the award of costs;
- declares proceedings UPC CFI Nos. 2297/2026 and 2300/2026 closed;
- orders that this order be entered in the register.
